Re: Town of Maynard 2018 Statement of Interest Status

Dear Mr. Johnson:

The Massachusetts School Building Authority (the “MSBA”) would like to thank the Town of Maynard (the “District”) for expressing an interest in the MSBA’s program for school building construction, renovation, and repair grants through the 2018 Statement of Interest (the “SOI”) process.

Overall, the MSBA received 70 SOIs from 56 different school districts for consideration in 2018. In reviewing SOIs, the MSBA identifies the school facilities that have the greatest and most urgent need based on an assessment of the entire cohort of SOIs that are received for consideration each year.

Based upon the MSBA’s review and due diligence process, it has been determined that the Green Meadow Elementary School SOI will not be invited into the MSBA’s Eligibility Period at this time. If the District would like this school to be considered for future collaboration with the MSBA, the District should file an SOI in an upcoming year. The MSBA will begin accepting SOIs for consideration in 2019 starting on Friday, January 4, 2019. Please see the detailed information below regarding the process, as well as on the MSBA’s website.

If the District is planning to submit an SOI in 2019, consider notifying local governing boards of your intentions, as local governing bodies will have to vote to approve submission of an SOI prior to the following closing dates:

- The SOI closing date for Districts submitting under the Accelerated Repair Program, which is primarily for the repair and/or replacement of windows, roofs, and/or boilers in an otherwise structurally sound facility, will be Friday, February 15, 2019.
- The SOI closing date for Districts submitting under the Core Program, which is primarily for projects beyond the scope of Accelerated Repair, including extensive

repairs, renovations, addition/renovations, and new school construction will be Friday, April 12, 2019.

The MSBA remains committed to collaborating and partnering with the Town of Maynard to better understand school facility issues within the District and will be sending detailed information regarding the 2019 SOI process in the coming weeks.

Please feel free to contact Katie DeCristofaro, Capital Program Manager at (617) 720-4466 should you have any questions.

Sincerely,

James A. MacDonald
